# Come Join Pixelz' Internship Program!

Pixelz Internship Program is on the lookout for young talent! This is an opportunity for high school (gymnasiale uddannelser) and university graduates to gain professional experience working in an international, cutting-edge technology startup while living in Hanoi, Vietnam. If you want to work in a fast-paced, multicultural environment with the chance to make a real impact at a global company, come join the Pixelz team!

## What does Pixelz look for in an intern?

Working in a foreign culture at a fast-growing technology company is incredibly exciting, but being successful doing so requires a unique type of person. Our perfect intern candidates:

**Live Our Core Values:** Our ideal candidates embody the values that have driven Pixelz growth and success: building genuine relationships, letting data decide, and upholding a Nordic mindset.

**Are High Energy:** We love young energy that is excited about new opportunities, new cultures, and is eager to hit the ground running.

**Demonstrate Flexibility:** Working in a foreign culture requires a flexible personality. Our interns can roll with the punches as they navigate their new environment.

**Are Proactive:** As leaders in a global industry, Pixelz moves fast and we expect our interns to move with us. We look for people who are proactive and agile in their approach to their work.

**Are Problem Solvers:** Pixelz is a fast-moving, complex company with new challenges arising every day. Our interns need to be fantastic critical thinkers always on the lookout for effective solutions for challenges both big and small.

### How long is an internship at Pixelz?

Pixelz internships are a minimum of six months and can be as long as 18 months. We tailor the duration of our internships depending on our intern's goals for their experience, the department they want to work in, and the projects we hope to get them involved in.

### What makes Pixelz Internship Program different from other internships?

**Paid for Their Work:** Interns at Pixelz receive an internship salary during their internship.

**Full-Integration with Pixelz:** Interns have a first row seat to see what life inside a global, industry-leading technology startup looks like with responsibilities and projects that bring real value.

**Cultural Immersion:** Interns experience a cross-cultural work environment working from our Hanoi, Vietnam office.

**Learn Cutting-Edge Production and Project Management Methodologies:** Interns have a chance to learn about Kaizen Continuous Improvement mentality and methodology, the Entrepreneurial Operating System, Agile work processes, and SCRUM.

**Professional Development Opportunities:** Interns finish our program with concrete examples of the impact they had at Pixelz and their growth as professionals.

**Housing is Covered:** Pixelz rents a house for our interns to stay in during their internship. They also have access to a rented scooter for getting around town.

**Working Visa:** Our Human Resource department takes care of all of our intern's visa needs.

### What type of work might I do as an intern?

Our interns have the option to work in the following departments:

Production

Human Resources

Customer Success/  
Account Management

Software  
Development

Pixelz Academy  
(Pixelz Technical Training  
Team)

Marketing

### How do I apply to an internship at Pixelz?

Applying to a Pixelz internship is similar to applying to a full-time position. We ask all candidates to visit our jobs page at [pixelz.com/internships](https://pixelz.com/internships) and submit:

1. A resume that reflects their academic and/or work experience.
2. A cover letter explaining why they are interested in Pixelz internship and why they think they would be successful as an intern if selected.
